**NORTH BAY PRODUCE VOLUNTARILY RECALLS FRESH APPLES BECAUSE OF POSSIBLE  
HEALTH RISK**

**October 25<sup>th</sup>, 2019** –North Bay Produce, Inc. of Traverse City, Michigan is voluntarily recalling 2,297 cases and 2 bulk bins of fresh apples due to the potential to be contaminated with *Listeria monocytogenes*. *Listeria monocytogenes* is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, Listeria infection can cause miscarriages and stillbirths among pregnant women.

Recalled varieties include McIntosh, Honeycrisp, Jonathan, Fuji, Jonamac and Red Delicious apples. Recalled apples were sold in plastic bags under the brands; Great Lakes, North Bay Produce Pure Michigan as well as unbranded in clear plastic tote bags, white paper tote bags, and individually from retailers display trays. The recalled apples were shipped between October 16<sup>th</sup>, 2019 and October 21<sup>st</sup>, 2019 from one North Bay facility to wholesalers, retailers and brokers in Florida, Illinois, Kentucky, Louisiana, Michigan, North Carolina, Texas and Wisconsin.

Apples purchased at retail prior to October 16<sup>th</sup> are not affected by this recall, and no other North Bay Produce products are affected by this recall. At this time, we are not aware of any illnesses linked by health officials to this recall.

Consumers can identify the recalled product by the following product descriptions and photos below:

Anyone who has the recalled product in their possession should not consume it. The product should be discarded or returned to the place of purchase.

The recall was initiated as a result of a finished product test that indicated the presence of the organism. Upon notification, we immediately ceased the production and distribution product from the identified facility and continue our investigation as to what caused the issue, in cooperation with FDA.

We have notified our commercial customers to whom we shipped the recalled product and are working with them to remove recalled product from commerce.

Consumers with questions may call 1-231-929-4001, Monday-Friday, 8am – 5pm Eastern Time, or visit [www.northbayproduce.com](http://www.northbayproduce.com).
